

OneOrbit™ Principals

Dr. Leroy Chiao

Dr. Leroy Chiao is a former NASA astronaut and International Space Station (ISS) commander. He has logged over 229 days in space on four space missions, including six spacewalks supporting ISS design and construction. Educated as an engineer, he has held leadership positions in technology companies and startups. He is an expert on leadership and technology, and how to lead your enterprise to the next level.

In addition, Dr. Chiao holds university academic appointments, and speaks three languages including Mandarin Chinese and Russian. A father of twins, Dr. Chiao is also passionate about character-based education. He has been working with students and educators professionally since 2006.

Jami Sunkel

Jami Sunkel is a professional educator and NASA-certified Master Science teacher holding Master's degrees in both Curriculum & Instruction and Educational Leadership. Jami has over a decade of teaching experience, as well as three years' experience as an STEM Education Specialist in Colorado Springs, Colorado. Space science education, leadership, and effective teaching have always been her passion. Jami recently received a 2019 American Association of Aeronautics and Astronautics Educator of the Year Award.
